We had 300 people attending the week long event and it was of enormous benefit to work with such a professional team from the minute we arrived and met all the department heads right through to our departure. The feedback on a venue was the highest we had ever received as 97% of respondents rated the venue as “excellent.”

National Federation of Voluntary Bodies

We have held our Engagement with Bluebird Care event in seven different hotels in seven different locations around the country and our experience in Killarney and the Malton was streets ahead of the rest. Looking forward to our next event in Killarney already!

## Testimonials

I have been organising international medical congresses in 5 star hotels around the world for over 35 years and our recent Circuit of Ireland International Rally reunion in The Malton was a huge success. This was due to the very high standards set by the hotel and its well trained staff. Excellent friendly service, superb food served quickly and without fuss for over 300 at the banquets and a “how can we help” attitude made this event a pleasure for us as organisers.

DR. D. BEATTY CRAWFORD,  
MB.FRCR. Associate Professor of Radiology.  
Organiser of Circuit Déjà vu Re-union

The food was amazing, the facilities were fantastic and I would highly recommend The Kennedy Suite (the most unbelievable luxury). If anyone is planning a conference in Killarney, I could not recommend The Malton enough.

ANDREW BOLAS,  
President of the Irish Dental Association

Conference Facility; as I expected this was excellent, very flexible in its configuration and in excellent condition. Breakfast and setting was terrific, lunches went down a treat and Gala dinner was really enjoyable. I think that good staff makes the difference between a good hotel and a great one. In your case the latter is definitely the case. The feedback has been extremely positive.

MICHAEL DINEEN, Irish Society of Gastroenterology

What a weekend and without doubt down to all the arrangements made with the Malton Team. The team from start to finish on arrival couldn't do enough for me. I am extremely grateful to all. This was an experience to cherish for life, and the team at Malton made it come true. Rest assure I will be down again. In the meantime, every continued success to you all and please extend this note to the team.

NATASHA KINSELLA, CEO Irish Hospitality Institute

This year marked the 36th Annual Delegate Conference of the Association of Garda Sergeants and Inspectors (AGSI). We had the great fortune of choosing the Malton Hotel in Killarney as our venue. I can wholeheartedly recommend The Malton hotel for your conference or meeting. I really feel that the conference in the Malton was our best yet. I'd love to be going back next year again.

JOHN REDMOND, General Secretary AGSI
